SECOND INTERNATIONAL SYMPOSIUM ON
"NATIONAL SECURITY & NATIONAL COMPETITIVENESS:
OPEN SOURCE SOLUTIONS"

INTEREST GROUPS

Note: These groups will be by subscription (no cost, first to sign up by mail or at symposium), and will be limited to 50-100 people depending on availability of break out rooms. The formal morning sessions will be video-taped and available later for purchase. The evening sessions may or may not be taped. To be considered for control of an evening session, send in name and contact information, proposed topic, and names and background sentence on three panelists. The session sponsor will be responsible for providing a three page summary of findings for publication in Volume II of the Proceedings.
